HAPPENINGS

ASPIRE MEN'S FELLOWSHIP • SAT • SEPT 12 • 10 AM

Come and fellowship together as Wayne will lead us to grow deeper.

NEW TIME FOR JOY (YOUTH) FELLOWSHIP • SUNDAYS 11AM-1PM

Our goal for Joy Fellowship has always been the same: helping students make their faith their own. We also hope to start a new habit in working together with the parents and coming alongside them to parent our teens in the Lord. The main reason for the time change is to have a common time for all of the English-speaking youth of our church to gather together for fellowship and Bible study. Along with having new counselors on board, we pray that this will be the start of building a strong core within Joy for years to come. If you have any questions, please don't hesitate to email Wayne at wayne.lee@cccnc.org

YOUTH GROUP AND KIDS MINISTRY • SUNDAYS

We are in need of more youth group (7th-12th grade) counselors as well as more Kids Ministry (under 6th grade) helpers and teachers. If you have a heart for impacting and serving the next generation, please contact Wayne at wayne.lee@cccnc.org to learn more!

Dear Church,

What does God have in mind for this season of our lives together?

This year has impacted us in ways that are yet to be seen. We don't know when all of us will be able to gather together in a sanctuary again. We do know that things will be different when we are able to return to large gatherings and dare hug one another. Even though we are not gathering together in-person doesn't mean that we stop being the church. Thank God that the church has never been about buildings! We are the church. Each of us have a unique moment to reach people right where we are and help them find their way back to God.

How? You might be thinking, I can't do that! I don't know where to even start especially in the midst of a pandemic! This season, our hope is that each one of you would embrace a BLESS lifestyle. BLESS is an acronym for 5 simple practices that's not about adding 5 more things to your daily schedules but instead explores how you can bring together what you already do with Gospel and Kingdom intentionality.

For the next 5 weeks, we will unpack how you can be like Jesus and join him in his work of changing people's lives. Let's pray for a season of blessing, not that we would be blessed but that we will bless others!

Begin with prayer

I will pray for the people in my life and the places that I'm in.

Listen

I will listen to and discover the needs of others and the places where God is at work.

Eat

I will share meals and spend time with people in my life.

Serve

I will respond to the needs of others and help them in practical and impactful ways.

Story

I will share the story of Jesus and what He is doing in my life with others.

YIAMING LIU

Yiaming is part of Monday Community Group and serves in Joy Fellowship as a youth counselor.

It's Ms. Liu! But many of you probably know me better as Yiaming. I'm really excited to share that I'll be starting my new adventure as a Special Education 6th grade Learning Support teacher at Spruance School, a public K-8 elementary school. Being a special education teacher, I'm really excited for the opportunity to be servicing a small number of students and getting to spend time with them in smaller groups. This would allow me to build more meaningful connections with my scholars! As many of you know, back to school is a lot different this year. The biggest thing that's been in my heart through all of this has been figuring out how I'm going to be able to create space for my students to grow and share vulnerability. Much like ministry, relationships are at the core of all teaching. So in order to service my scholars well, I need to be able to get to know them as humans first. However, that can be a bit challenging with virtual due to a number of reasons.

Things are changing every day. There's a lot of unknowns, which is really scary because teachers like to be super prepared. Even amidst all the craziness, one truth that I'm able to hold onto is God's faithfulness. Just thinking about all the ways God's been faithful to his people and the ways that He's been faithful in my life. It gives me reassurance that whatever He has planned for me and my students, He will carry it out. Would it look the way I planned it? Probably not and that's nerve wracking but I know His plans are definitely better than mine.

One last thing. GRACE! Just like how the Father has extended grace to us, please extend that same grace to yourself, your child, or their/your teachers while we all navigate this space. Please pray for teachers all over, in all settings whether in person, virtual, or hybrid. Please pray for students who are longing for that in person connection. Please pray that students are getting the support they need. Please pray for administrations to make student-center decisions.

In Christ, Yiaming

Summer is over and we are into the new school year! "Boo hoo hoo!"for some and "Yay!" for others!

This Covid 19 pandemic has really caused a flip in the script in all of our lives as it's not going to be an easy time with everything going virtual. Each of us have been challenged in so many ways over this 6-months in making adjustments and changes in our home, learning and work environments. So how has the Center been affected in these 6 months? All of our inperson programs were cancelled for our Spring and Summer. We offered virtually programs for our summer camp and sports. Anna Quan, this year's Summer Camp coordinator, in last month's Mega-bulletin, reported on God's faithful provisions for our virtual 5-week camp. After the Day Camp we offered a virtual sports program for soccer and basketball. Since March, our community playground has been under a complete renovation. A number of members from our Mandarin Speaking Ministry congregation and some youth were able to do a majority of the heavy lifting. We still have a bit of work left. I invite you to take on some of the opportunities we have in the Center.

Center Ministry Opportunities:

- For our Fall programs, we have a number of virtual programs in tutoring and English Language Learning.
- Extracurricular teachers to introduce: Musical Instruments, Sports (like climbing), Chess, Ping Pong

In the midst of challenging times I'm reminded of John 16:33 In the world you will have tribulation,. But take heart; I have overcome the world. Take here, friends, our Father isn't surprised over anything we are facing, but to set our eyes on Him as we walk with Him through the difficult times.

Keep on, pressing on friends, Harry
