## MONTHLY REFLECTION & PRAYER

INTERNATIONAL: Many countries are overwhelmed by the spike of COVID-19 cases. Pray for healthcare systems and the most vulnerable. Pray that the spread of the virus would cease.

NATIONAL: This week's riots and invasion of the U.S. Capitol shows us that the path ahead will be very long and arduous. Pray for our local and national leaders, our pastors and church leaders to demonstrate a humble leadership that we see in Christ our Lord. Pray for mercy to reign.

CITY: Our murder tally has been the second highest total since 1960. Factors like poverty, unemployment, inequities in education and healthcare drive increased violence. Pray for our elected officials to courageously make effective reforms and community efforts to provide programming in the midst of a pandemic.

CHURCH: In this new year, may we lean into the body with vulnerability. May we learn to love and be loved, know and be known, serve and be served, all because of what we have each received from Christ alone.

CHURCH LEADERSHIP: May God strengthen the hearts of our leaders with His grace as they face the challenges of helping our body navigate these times in faith. Also, pray for the Lord to raise up many new leaders to build up this body and reach those God has put in our paths that have yet to believe.

ESM: As we begin a new year with a new message series and other initiatives, may we have a faithful heart. There will be much to test us and times where we feel weak. Nevertheless, may our faithful God give each of us a faithful heart assured of His love and presence.

WORSHIP:  
Heavenly Father,  
Remove from our minds every  
thought which keeps us from you.  
Break down the walls, push aside the  
pride, and help us to trust anew.  
We pray these in the name of  
The Father,  
Of the Son,  
And of the Holy Spirit.  
Amen
