## WHAT'S HAPPENING AT CCCNC?

---

### FINANCIAL UPDATE

Praise the Lord! Despite the economic difficulty from the pandemic, brothers & sisters have continued to be faithful and increased offering towards the year end. Our church had a surplus of about \$100 thousand in 2020, which would be reserved for future spending. The surplus was driven by having almost similar level of offering as the prior year, while spending was reduced by 15%. Let us continue to be good stewards in the coming year.

## OPPORTUNITY TO SERVE

---

The Center has connected with Chinatown's public school (McCall School) to assist classroom teachers in providing some tutoring help to the kids. As the Philadelphia schools are still entirelyly virtual, there are few learning supports in the classroom. We are looking for people who can commit at least an hour a week, during the school day to assist the teachers in working with children. We are looking to begin the program in March. Please contact

[Harry.Leong@cccnc.org](mailto:Harry.Leong@cccnc.org) for further details.

## MONTHLY REFLECTION & PRAYER

INTERNATIONAL: Months of sustained protests from farmers of India's Sikh religious minority group against recent agricultural reform laws have gained more attention. The protests have become violent at times and demonstrate heavy handed tactics from the government for quashing dissent. Pray for peaceful resolutions and for the church in India to be salt and light within a very fragmented society.

NATIONAL: As Asian-American communities celebrate the Lunar New Year, pray against the surge of attacks against Asian-Americans and xenophobia during these tense times. Pray for the church across the land to embrace and protect those different from themselves, to cast out fear and strive towards a more just and equitable society.

CITY: Like many other cities, the Philadelphia School District continues to debate on how to open schools again as soon as possible. Pray for the health and safety of teachers, students, and all their families as we find our way back to learning in buildings. Pray for the many students that have not been engaged and lack the resources to thrive.

CHURCH: In this Lenten season, may we allow the gospel to shape our daily lives through our interactions with one another and spiritual disciplines. May we recount the many ways Christ has already changed us and how he continues to change us in this present moment.

CHURCH LEADERSHIP: Lord, thank you for those who have responded to your call to serve our church body. May you build up and strengthen the church through their service. May they seek you and trust you with all humility in all circumstances.

ESM: Father, we praise you for new life! We lift up to you Kevin and Angela as well as Pastor Wayne and Amy as we anticipate new life with them. We pray for their safety and recovery. May they be able to experience deep joy and rest in the days and long nights to come.

WORSHIP:  
How easily we retreat into ourselves.  
How quickly we lose sight of your love.  
How deeply we are loved.  
Help us live in the hope of resurrected love.  
We pray in the name  
of the Father,  
of the Son,  
and of the Holy Spirit.  
Amen
