SEW LOVE - FIDGET BLANKET PROJECT • NOW TILL JUNE 30

Fidget blankets? Remember the activity blankets for babies; this is the same concept. An area hospice and palliative care organization is looking for volunteers to make Fidget blankets for their Dementia and Alzheimer's patients. The blankets can be hand-sewn or machine-sewn. The size is approx. 12" x 15". Materials will be provided. Another great project for families.

BALLS AND BAOS • JULY 13 • START DATE PENDING COVID GUIDELINES

A program for senior adults. An exercise education program with activities using balls to build strength, stability, and reaction time. A fellowship with snacks will follow the activities. The fellowship will allow church members to make or provide healthy snacks and engage the seniors in spiritual and Biblical conversations. Senior adults are invited to participate. Others are welcome to participate in making healthy snacks.

PICKLEBALL INTRO • START JULY 13 START DATE PENDING COVID GUIDELINES

A program for all ages. The introduction of Pickleball will be an activity for children attending PUMP, and an extension of sports activity for senior adults or the community people. Come and learn how to play Pickleball.

PLANTS FOR SPRING

Want to help beautify the newly renovated playground at Spring Campus. Plant some flowers or plants -a great project for families and individuals. Start from seed or a plant at home and bring it to Spring when it's ready. We're also looking for handy people who can build racks for the flowers.

SECOND HOUR CLASS

A SOUND LIFE • SUN • 11:15AM • ZOOM

This class aims at presenting the 'whole counsel of God' clearly and practically. We will approach each topic by asking:
What does it mean?

What difference does it make to my spiritual health?

How will my knowing this topic help others in my community?

MONTHLY REFLECTION & PRAYER

International: The death toll in Myanmar continues to rise as violence against peaceful protests continues to escalate further. Pray for comfort, peace, and safety of the refugees fleeing from their homes with their families

National: With a rise in attacks against the AAPI community around the country pray for the victims and their families. Pray for greater awareness as well as the desire to work to build bridges across communities.

City: The rollout for getting people vaccinated has been slow and not without its share of problems. Pray for more people to be able to get vaccinated and for the number of infections to go down as bans and mandates are starting to relax.

Church Leadership: The vote for the purchase of a new property for our church expansion plans was approved. Continue to pray for wisdom and discernment in the financing of this purchase.

Church: May we demonstrate as one body our support for the approval of the purchase for a new property through earnest prayer and in generous giving financially. My we seek to further God's work and kingdom in this Chinatown community.

ESM: Pray for all the missionaries that we support. Some are experiencing fear, medical and health complications, and overall tiredness in the field. In their weakness, may they continue to be a light to those around them opening their eyes to the glory of God.

WORSHIP: Heavenly Father,
Teach us to serve and love everyone with the same grace and humility
You show to us through your son, our savior, Jesus Christ.
Let the Spirit guide us to more like You every day.
We ask this in the name of
the Father,
of the Son,
and of the Holy Spirit,
Amen.
