MONTHLY REFLECTION & PRAYER

International: Currently holding the world's highest record of COVID—19 cases each day, India is struggling to provide resources as well as support their citizens. Pray for wisdom for their government leaders to swiftly adopt practices and that would prevent further spread.

National: As new strains of COVID-19 continue to appear, may we have discernment in lessening restrictions in many cities that desire to open up for the summer.

City: Philadelphia's crime rate is one of the highest in the country. Lord, let your peace reign in our city and in our hearts.

Church Leadership: We lift up those you have called to lead us. May they be strong and courageous holding fast to God's promises in his word and walking ever more closely with Jesus Christ.

Church: We are longing to see each other face to face again but may we not give up meeting together in the ways we can during this time. Let us encourage one another all the more. Lord, help us persevere and return strengthened in our faith.

ESM: Help us fight the good fight of faith at home, at work or wherever our feet may be. Strengthen our weak hearts to take hold of the eternal life to which we have been called so that we may also strengthen others. Whatever we do, may we do it all in the name of Christ without complaint.

WORSHIP: Lord,
May we glorify you in our actions,
thoughts, and words.
May Our eyes be opened, minds be
sharpened, and hearts be softened by
your grace and majesty.
In the name of our faithful Father,
of the risen Son,
and of the Holy Spirit.
Amen.
