MONTHLY REFLECTION & PRAYER

International: We continue to pray for countries like India struggling with COVID-19 and vaccine distribution. Other countries are bracing themselves for new outbreaks caused by variant strains of the virus. Pray for the availability and effectiveness of vaccines and governments to provide proper care for all their citizens.

National: In many cities and states, restrictions are being lifted and it may feel like we are starting to turn the page in this pandemic. May we lift our eyes to the Lord in thankfulness. May we find our comfort in him. Continue praying for the most vulnerable communities to receive vaccinations and that the love of neighbor would increase.

City: Many organizations and programs are struggling with how to operate this summer as our city lifts restrictions. There are a great number of needs. Pray for those who are anxious about returning to in-person gatherings and adjusting to new working conditions. Pray for the peace of God to capture anxious hearts and weary souls.

Church Leadership: Praise the Lord for those who have been serving during the pandemic, especially those working behind the scenes in our music, production, and AV teams. May God refresh their hearts with grace and raise up new leaders gifted in these areas to have a heart to serve as we prepare to return to in-person worship gatherings.

Church: As new creations in Christ, may we allow the gospel to shape our daily lives through our interactions with one another and spiritual disciplines. May we recount the many ways Christ has already changed us and how he continues to change us in this present moment.

ESM: As we prepare to return back to worship in person, pray for joyful anticipation and patience. Pray for the Spirit to lead us into a deeper relationship with God and with one another so that we can be salt and light together in our community.

WORSHIP:

In times where we may feel lost
And confused, even alone,
May we always know your presence is with us.
May we hear from your word,
See your hand in every circumstance,
And lean into your grace all the more.
In the mighty name of Jesus,
we pray.
Amen.
